

Today is the **last day to sign up for the gifts discovery**. For those who signed up last Sunday, the materials are in your mailbox today. There was only one copy of instructions put in mailboxes of couples who both had chosen the online option. Those who sign up today will receive the materials next Sunday. Sign-up sheets are in classrooms and on the bulletin board. There are two options available. One option is online, and the other is completing a hard copy. We are encouraging everyone to participate. You may, but are not required, to submit your results to the office. Please try to complete the process by Feb. 13.

Men, plan now to attend a carry-in meal on Saturday evening, Feb. 19, at 5:30. If you have wild game, you are encouraged to bring a dish of that to share; but it does not need to be wild game. After the meal, Ethan Kibe, Game Biologist 1 for the Northcentral Region and Tony Musclemann, Wildlife Technician, will be here to talk about turkey and deer subjects. There will be a Q & A time too. All are welcome. This is a great opportunity to invite others. If you have questions, contact Clayton Penepacker or Alan Kauffman.

On Saturday, March 5, 2022, Everence® Central Penn will host **Stewardship University**, a ministry partnership between Everence and the local faith community that celebrates 20 years of stewardship this year. Courses will explore subjects ranging from envisioning a post-COVID19 church, becoming ambassadors of reconciliation, and planning for retirement/Medicare, to equipping Millennials/GenZ for stewardship – and more. For information or to register, visit StewardshipUniversity.com or contact Lynette Morales at 717-394-0769 or lynette.morales@everence.com.

Marlene Zook has been providing leadership for the **Ladies' Sewing Group** and is no longer going to be serving in this way. If there is anyone who is willing to provide leadership, you can talk to Marlene about what all is involved, and/or contact a member of Council.

There is still time to sign up if you are interested in helping with the **meat canning**. They like groups of 7 or 8 for 3–4-hour shifts. The sign-up sheet is on the bulletin board. Contact Herb Zook if you have any questions.
